

AFL Goal Post Range

Goldspar tapered aluminium goal posts are light and strong and therefore easy to transport and install. The gloss white powder coated finish is very durable so the posts are maintenance free.

Goldspar AFL Posts are available in six standard heights – 15m, 12m, 9m, 8m, 7.5m and 6m, or to your specifications. Our high quality posts are supplied with in-ground socket tubes which allow simple removal of the posts in the off season (slip the pole out, cap the tube [cap supplied] and cover with a divot of grass).
